

International Seminar 2015
Faculty of Fisheries and Marine Sciences

No	Name	Destination	Seminar	Title	Schedule
1	Bambang Semedi	Osaka, Jepang	Asia-Pacific Conference on Engineering and Applied Science (APCEAS 2015)	The application of satellite remote sensing and GIS in Marine resources management: stress levels of coral reefs case study	25-27 Agustus 2015
2	Oktyas Muzaky Luthfi	Malang, Indonesia	1st International Conference on Pure and Applied Research (ICOPAR 2015)	Sediment promote disease in scleractinia coral at Sempu Nature Reserve Malang Regency, East Java	21-22 Agustus 2015
3	Yunita Eka Puspitasari	Bangkok, Thailand	The 27th Annual Meeting of The Thai Society for Biotechnology and International Conference	Rhizopora mucronata fruit powder components inhibit enzim α -glukosidase	17-20 Nopember 2015
4	Aida Sartimbul	Sydney Australia	Eco-Stat 15 Conference: Technological Advances between ecology and Statistics	Water temperature variation due to Indian Ocean dipole impact on purse seine fisheries dynamics in Prigi Bay, Indonesia: A statistical approach	8-10 Desember 2015
5	Anik M. Hariati	Bangkok, Thailand	The 27th Annual Meeting of The Thai Society for Biotechnology and International Conference	Shrimp production using bacterial based technology in East Java	17-20 Nopember 2015

No	Name	Destination	Seminar	Title	Schedule
6	Ating Yuniarti	Bangkok, Thailand	The 27th Annual Meeting of The Thai Society for Biotechnology and International Conference	Profile and virulence factors of vibrio isolated from shrimp ponds in Indonesia	17-20 Nopember 2015
7	Muhammad Fakhri	Bangkok, Thailand	The 27th Annual Meeting of The Thai Society for Biotechnology and International Conference	Effect of salinity on growth and chlorophyll concentration of Nannpchloropsis sp BJ17	17-20 Nopember 2015
8	Dewa Gede Raka Wiadnya	Nagoya, Jepang	Biodiversity and environmental medicine in Southeast and East Asia based on molecular biology	Indonesia's fish diversity: opportunities and challenges	16 – 17 th July, 2015,
9	Uun Yanuhar	Singapura	3rd International Conference of Chemical, Agricultural and Medical Sciences	Properties of PCP protein of Halimeda sp. As Anti Viral Nervous Necrosis in Humpback grouper	Dec. 10-11, 2015 Singapore
10	Daduk Setyohadi	Penang Malaysia	International Fisheries Symposium	Some biological parameters of Bali Sardinella (Sardinella Lemuru, de Man) at Bali Strait, Indonesia	17 Dec, 2015
11	Nuddin H	Penang Malaysia	International Fisheries Symposium	The Economics Value of Mangrove Ecotourism Based on Individual Consumer Surplus	17 Dec, 2015

No	Name	Destination	Seminar	Title	Schedule
12	Harsuko Riniwati	Penang Malaysia	International Fisheries Symposium	Blue Economy In Motion : Enabling Community Action (Enact) Model For Resilient Coastal Village Development	17 Dec, 2015
13	Happy Nursyam	Penang Malaysia	International Fisheries Symposium	Process Development of Clarias Catfish fermented sausage	17 Dec, 2015
14	Dwi Setya	Penang Malaysia	International Fisheries Symposium	Influence of Egg White Foam concentration and Drying Time difference on making of dried microcapsules Toward Lactobacillus acidophilus viability.	17 Dec, 2015
15	M. Fadjar	Jakarta, Indonesia	International Conference of Aquaculture Indonesia (ICAI) 2015	Squid (Loligo edulis) Ink Raw extract as an anti-vibriosis substance in Grouper (Ephinepalus fascoguttatus) juvenile infected by Vibrio alginolyticus	29-31 October 2015

International Seminar 2014
Faculty of Fisheries and Marine Sciences

No	Name	Destination	Seminar	Title	Schedule
1	Bambang Semedi	Nha Trang, Vietnam	Ninth WESPACT International Symposium	Determining of upwelling distribution using modis satellite data image in Southern East Java	22-25 April 2014
2	Andi Kurniawan	Bali Indonesia	5th International Conference on Sustainable Future for Human Security	Nutrient ions during biofilm forming process	19-21 November 2014
3	Anik M. Hariati	Surabaya	International Fisheries Symposium	Shrimp production of Biofloc Based Technology in East Java.	30-31 October 2014.
4	Ating Yuniarti	Surabaya	International Fisheries Symposium	AHL degrading enzyme from shrimp indigenous Bacillus: identification, substrate hydrolyzing and proteolysis resistance ability	30-31 October 2014
5	Dewa Gede Raka Wiadnya	Surabaya	International Fisheries Symposium	Fisheries sub-management areas of East Java – Indonesia	30-31 October 2014

International Seminar 2013
Faculty of Fisheries and Marine Sciences

No	Name	Destination	Seminar	Title	Schedule
1	Bambang Semedi	Bali	Indian Ocean and Pasific Conference 2013	Forcasting stress levels of coral reefs bleaching night time satellite data in Indonesia	26-28 July 2013
2	Oktyas Muzaky Luthfi	Bali	Indian Ocean and Pasific Conference 2013	Coral disease assessment in KJNP,Central Java Indonesia	18-22 June 2013
3	Syarifah Hikmah Julynda Sari	Bali	Indian Ocean and Pasific Conference 2013	study on heavy metals concentrations (Hg and Zn) in The Estuary of Porong River Sidoarjo, East Java	26-28 July 2013
4	Dwi Candra Pratiwi	Bali	Indian Ocean and Pasific Conference 2013	Concentration of heavy metals (Pb and Cu) dissolved in water collected from mayangan harbor area, Probolinggo District, East Java, Indonesia	26-28 July 2013
5	M.Fadjar	Osaka Jepang	International Conference on Life Science & Biological Science	Genomics of a novel bacteria as an anti bacterial candidate in aquaculture	7-9 November 2013
6	Anik M. Hariati	Osaka Jepang	International Conference on Life Science & Biological Science	Media entrapment of immobile nitrifying bacteria for effective use in shrimp pond (tambak) culture	7-9 November 2013

No	Name	Destination	Seminar	Title	Schedule
7	Ating Yuniarti	Osaka Jepang	International Conference on Life Science & Biological Science	Identification of AHL degrading <i>Basillus</i> isolated from the shrimp ponds in East Java of Indonesia	7-9 November 2013
8	Riski Agung Lestariadi	Bangkok Thailand	2nd ASEAN academic society international conference	Technical efficiency of small scale intense shrimp farming in East Java Province. Indonesia: a non parametric analysis	4-5 November 2013
9	Umi Zakiyah	Pattaya, Thailand	International Fisheries Symposium	Resource profiles for fisheries management in tambak Wedi coastal ecosystem, East Java Province	28-30 November 2013
10	Kilawati	Pattaya, Thailand	International Fisheries Symposium	Expression of ICP11 on DNA vannamei (<i>Pennaeus vannamei</i>) shrimp that has been cultured in semi intensive and intensive pond	28-30 November 2014
11	Zainal Abidin	Pattaya, Thailand	International Fisheries Symposium	Relation between marketing efficiency and fishermen share of goldband goayfish (<i>Upeneus mollucensis</i>) in probolinggo city East Java Indonesia	28-30 November 2015
12	Ade Yamindago	Pattaya, Thailand	International Fisheries Symposium	Morphological and genetic variation of <i>Eriphia smithii</i> Mc Leay 1838 collected from samaesarn islands	28-30 November 2016

No	Name	Destination	Seminar	Title	Schedule
13	Dewa Gede Raka Wiadnya	Pekanbaru Riau	2nd International Seminar of Fisheries and Marine : Managing aquatic resources towards blue economy	Geographical characteristics of coastal Fisheries of east java sea	6-7 Nopember 2013
